WORK EXPERIENCE

Front-End Developer (Freelance), *Upwork (BrightNest Interiors)* 07/2022 – 08/2023 | Chennai, India

- Delivered a fully responsive website using **HTML, CSS, and JavaScript**, featuring interactive galleries and lead capture forms, which boosted **user engagement and reduced bounce rate.**
- Drove a **35% increase in quote requests** and extended **visitor time-on-site by over 90 seconds** through on-page SEO techniques including **schema markup** and **keyword optimization.**
- Boosted quote inquiries by 35% and improved **time-on-site by over 1.5 minutes**.
- Conducted thorough code reviews for all projects, ensuring adherence to best practices and high-quality standards, resulting in zero critical bugs reported by clients during user acceptance testing.
